## **Grand Opening of Tokyo Style Japanese Food Restaurant in the Bund SUN with AQUA JAPANESE DINING & BAR**

In October 2006, **Suntory F & B International(Shanghai)Co., Ltd.** (SFBI, headquartered in H.K.) is going to launch grand opening of an authentic Japanese Restaurant **SUN with AQUA JAPANESE DINING & BAR** in the Bund, which is the place in Shanghai with unsurpassable rich historical and cultural ambiance. The location of the restaurant is Bund 6 ---- which is the hottest news jar, as well as the landmark location in Shanghai with a flock of trendy and prestigious restaurants.

**SUN with AQUA JAPANESE DINING & BAR** is a comprehensive dining facility, consisting of the **Japanese Dining SUN**, and the **AQUARIUM bar** with huge aquarium tanks. “**Japanese Dining SUN**” is glad to serve you with Tokyo style cuisine integrating Japanese flavor and western flavor, in a fashionable space based on Japanese style.

“**Japanese Dining SUN**” is an established food and beverage service brand name owned by SFBI, due to successful introduction of trendy Japanese restaurants to Hong Kong and Singapore. This time, it arrives on Shanghai as a three-in-one formal restaurant; based on Japanese flavor, it boasts the attention to perfect details, fine presentation, and sentimental space design. It overthrows conventional impression people have towards Japanese restaurants; it is a restaurant with unique attitude, seamlessly integrating Japanese art with practical fashion in a 1000 m<sup>2</sup> vibrant space, which is so far the biggest Japanese restaurant. This is incomparable by its peers.

The essence of Tokyo Style Japanese Food restaurant is on the various dishes that entertain the diners' eyes as well as taste buds. The fun for dining in **Japanese Dining SUN** is, that you can enjoy authentic Japanese cuisine focusing on materials and taste, like Sushi, Sashimi, Teppanyaki, and other varieties of set menu items at the same time. Sitting in front of the dining table, you can admire those fresh cuisine materials with skillful chefs, listen to the sweet sizzling of Teppanyaki, smell the wandering aroma, only then can you completely appreciate the spirit of Japanese cuisine and Japanese perception of the world. This is no exaggerating at all.

**AQUARIUM bar** is featuring 11 meter long huge aquarium tanks, which are the longest ones in restaurants, and will sure become the hottest news jar in the Bund area. Imported rare tropical fish wanders gracefully in the water tanks, welcoming your presence. Sitting by the tanks, you can enjoy those beautiful fish in aquarium tanks, or you can look out the window and to be amazed by splendid night time scenery of the Bund. This is absolutely romantic experience. By savoring authentic cocktails adding only water and ice cubes, you feel your coming is worthwhile. Colorful juice

cocktails and ice covered cocktails will flood you with night time luxury.

All interior space decoration and design is finished by **MYU Planning & Operators** who has successfully introduced “**Tokyo Style Japanese Food SUN**” to Singapore and Hong Kong , in collaboration with SFBI.

Impacting on your taste, as well as full dimensional visual experience, this innovative and trendy restaurant **SUN with AQUA JAPANESE DINING & BAR** is sure to make a splash of Japanese cuisine in the Bund.
